

ARANYA GHARGADE

B.Tech CSE | VIT Pune | Pune, India
07aranya@gmail.com | github.com/07aranya | [LinkedIn](#) | 07aranya.site

1. PERSONAL INFORMATION

Full Name: Aranya Ghargade
Date of Birth: 2007
Location: Pune, Maharashtra, India
Languages Known: English, Hindi, Marathi
Email: 07aranya@gmail.com
Portfolio: 07aranya.site

2. EDUCATIONAL QUALIFICATIONS

Vishwakarma Institute of Technology (VIT), Pune 2025 – Present
B.Tech — Computer Science and Engineering (CSE)

- SGPA: 9.3 in Semester 1
- Exploring game development, DSA, and web development alongside core CSE subjects.
- Member of XRGF (Game Development Club), VIT Pune.

Class XII — CBSE 2025
Senior Secondary Education

- Aggregate Score: 96.4% | School Topper
- Served as Head Boy — developed leadership and organisational skills.

Class X — CBSE 2023
Secondary Education

- Aggregate Score: 95.6%

3. PROFESSIONAL PROFILE

First-year Computer Science student at VIT Pune with a strong foundation in Data Structures & Algorithms, game development, and full-stack web development. I learn by building and breaking things — from AI chatbots to VR games. Passionate about creating software that solves real problems. Open to internships, collaborations, and research opportunities.

4. PROJECTS & INTERNSHIPS

AI-Powered Educational Vernacular Chatbot 2025
TypeScript · React · Gemini API

- Built a student-focused AI chatbot supporting 9+ Indian vernacular languages.
- Syllabus-aware — covers CBSE, ICSE, and multiple state boards.
- Dual-persona system; deployed live on Vercel.

Live: ai-vernacular-chatbot.vercel.app Code: github.com/07aranya/VernacularChatbot

VR Horror Game 2026
Unity · C# · VR

- Collaborated with a team to develop a VR horror game for the college fest.
- Handled game logic, environment design, and VR interaction mechanics in Unity.

CBSE Clone Website 2025
JavaScript · HTML · CSS

- Rebuilt the official CBSE website with improved UI/UX and all major pages.
- Focused on clean design and faithful replication of the original layout.

Live: cbse-website-new.vercel.app Code: github.com/07aranya/CBSE-Website

Hand Gesture Fruit Ninja Game

In Progress

Python · OpenCV · Pygame

- Developing a Fruit Ninja-style game controlled by real-time hand gestures via webcam.
- Implemented physics simulation, collision detection, and a live scoring system.

5. CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

XRGF — Game Development Club, VIT Pune

2025 – Present

- Active member of the college's official game development club.
- Collaborated on projects with peers sharing the same interest in game dev and XR technologies.

Hackathons & Ideathons

2024 – 25

- Participated in multiple hackathons at college level, building innovative solutions to real-world problems.

Sports — Football & Badminton

2019 – Present

- Represented school in interschool Badminton competitions — multiple wins.
- Runner-up at Maharashtra State Level Football-Tennis Tournament, U-14 Category (2019–20).

Dance & Art Competitions

2016 – 2022

- Participated in dance and art competitions from Class 1 onwards — won multiple competitions.

6. SKILL ORIENTATION / TECHNICAL SKILLS

Programming:	Python, JavaScript, TypeScript, C#, HTML/CSS
Frameworks:	React, Pygame
Game Development:	Unity, C#, VR Development
Tools & Platforms:	Git, GitHub, Vercel, OpenCV, Gemini API
CS Fundamentals:	Data Structures, Algorithms, OOP, OS Theory
Problem Solving:	LeetCode, Codeforces — daily practice
Soft Skills:	Leadership (Head Boy), Team Collaboration, Adaptability, Quick Learning

7. AWARDS, HONOURS & ACHIEVEMENTS

- Runner-up — Maharashtra State Level Football-Tennis Tournament, U-14 Category (2019–20)
- School Topper — Class XII CBSE with 96.4%; Head Boy of the school.
- State Rank 23 — Spell Bee State Level Competition.
- Gold & top positions in SOF and SilverZone Olympiads — 20+ medals, 70+ certificates.
- School Topper — Class X CBSE with 95.6%.
- SGPA 9.3 — Semester 1, VIT Pune.
- Rubik's Cube — solved 3×3 in under 30 seconds; personal best: 12.06 seconds.
- Winner of multiple dance and art competitions (2016–2022).

8. INTERESTS & HOBBIES

- Game Development — building and playing games; currently learning Unity and 2D game mechanics.
- Photography — capturing travel, nature, and cityscape moments.
- Guitar — self-taught; first milestone was playing 'Tum Hi Ho' flawlessly.
- Sports — Badminton, Football, Video Games (currently playing Sekiro & Spider-Man 2).
- Travelling — lived in 8 cities; visited Goa, Nainital, Hampi, Dandeli, Agra and more.
- Music — curates a personal rotation playlist on Spotify.
